**Data Request:** Application #LD1

**Applicant:** Remedy Partners, Inc.

**Project Title:** Provider Level Price and Quality Transparency through the Lens of Episodes of Care in Public and Commercially Insured Population

**Description:** This is a request for a Limited Data Set, although they are currently requesting Member Number (which is a direct identifier). The applicant proposes to use the HCCD data develop and refine provider-level cost and quality metrics for episodes of care, compare high and low cost and quality providers, and benchmark the provider-level outcomes against their other data.

**Next Meeting:** April 1, 2019, 3-5pm
