**Data Request:** Application #LD2

**Applicant:** CDC, via GuideHouse Media

**Project Title:** Exploring the Utility of Electronic Health Records and Health Information Network Data to Determine Potential Health Impacts of Exposure to Perfluorinated Compounds (PFCs) in Drinking Water

**Description:** The requestor is interested in analyzing the health impacts of exposure to drinking water contaminated with Perfluorinated Compounds in New Castle, DE. The CDC is requesting pharmacy and medical claims data for all individuals that reside within New Castle, DE who also have had one or more of the diagnoses/medications of interest during any point between 2013-2018. No payer or provider information is being requested, nor is any financial information being requested.

**Next Meeting:** August 5, 2019, 3-5pm
