**Data Request:** Application #LD12

**Applicant:** Health Management Associates

**Project Title:** Delaware Substance Abuse Disorder Service Delivery Assessment

**Description:** The purpose of this request for a limited data set is to assess trends in Substance Abuse Disorder (SUD) treatment in Delaware. The study will use claims data to determine whether services are being delivered adequately and equitably, the percentage of Delawareans receiving SUD services, and trends in the utilizations of these services.

**Next Meeting:** January 3, 2022, 3:00 pm to 5:00 pm
